## Report of THI activities for Japan Earthquake

- Monetary donation
- Volunteer activities
- Radioactivity measurement service

### 1. Monetary donation

Since the Japan earthquake THI has been raising money supported by our customers and business partners. Our charity activities resulted in the total of JPY 102,085 being raised for Japan earthquake. THI has donated all to victims of the disaster as below.

### Total Donation JPY 102,085

Month/Year	Details	Amount
April 2011	ASHINAGA IKUEIKAI · The establishment of “Tohoku Rainbow House” for orphans	JPY 44,534
June 2011	Rikuzentakata city Volunteer Center	JPY 57,551

Thank you very much for your support.

We also donated through Tokyo Construction machines lease association to affected area.

THI will continue the charity activities to support the victims of the disaster and appreciate for your continuous support.

### 2. Volunteer activities

THI sent down our staff as a volunteer to the affected area such as Iwate and Miyagi prefectures. We will update the activity report accordingly on our website.

### 3. Radioactivity measurement service

If you wish to check the amount of radioactivity on your construction machinery please contact our sales staff.
